Subject: **OPSC-PSS-2018-004 FACILITATION OF QANDALA COMMUNITY CONSENSUS BUILDING SESSIONS (PSS007)**

INTRODUCTION: The TIS+ Program aims to promote peace and stability in Somalia by increasing the visibility of, and confidence in Government through improved service delivery and creating collaborative and strategic partnerships among government institutions, the private sector, civil society and communities.

The TIS+ Program focuses on four objectives:

- 1) Increase confidence in governance based on equitable participation in decision making and management of community assets;
- 2) Empower community and government representatives to engage with private sector and development actors in collaborative process for community growth;
- 3) Increase Somali engagement in creating a more stable future; and
- 4) Support inclusive, sustainable development by reducing gender gaps in stabilization and development.

PURPOSE: The purpose of this RFQ is to solicit quotations from eligible Service Providers for Facilitation of Qandala Community Consensus Building Sessions, with specifications provided in Attachment B of this document.

Offerors are responsible for ensuring their offers are received by TIS+ in accordance with the instructions, terms, and conditions described in this RFQ. Failure to adhere to the instructions for submission described in this RFQ may lead to an offeror's bid being deemed non-responsive, resulting in disqualification for a determination of award.

INSTRUCTIONS:

Submission deadline: March 21, 2018, 1600 hrs (East Africa Time)

Submissions shall be emailed to tenderbox.nairobi@somtisplus.com. The subject line of the e-mail shall be clearly labeled **RFQ TIS +/- OPSC-PSS-2018-004: Facilitation of Qandala Community Consensus Building Sessions.**

Bids sent to personal email addresses of TIS+ staff will not be considered for award under this RFQ. Offerors shall reference the RFQ Number and Activity Title in the email subject line. No late submissions will be accepted.

Questions: Questions regarding the technical or administrative requirements of this RFQ shall be submitted no later than **13 March 2018, 1600 hrs (East African Time)** by email to procurement@somtisplus.com. Questions and requests for clarification—and the responses thereto—will be circulated as an Amendment to the RFQ to all RFQ recipients who have indicated an interest in bidding by no later than **Thursday, 15 March 2018, 1600 hrs (East African Time)**.

Only the written answers issued by TIS+ will be considered official and carry weight in the RFQ process and subsequent evaluation. Any verbal information received from employees of AECOM/TIS+ or any other entity should not be considered as an official response to any questions regarding this RFQ.

Specifications: Attachment B describes the services to be provided.

Duties: The TIS+ Program is VAT exempt (**TIS+ will request duty exemption and request reimbursement upon presentation of a duly approved DA1 Form**). Quotations shall exclude Customs and VAT.

Quoted Price: Quotations in response to this RFQ should be based on a fixed-price basis, inclusive of all associated costs, in accordance with the service cost breakdown as provided in Attachment C. All fees or additional costs shall be disclosed in the Offerors quotation. Any fees, costs, taxes or other demand of funds not disclosed in the offeror's quotation will not be considered for payment.

Offerors are requested to provide quotations on official letterhead or quotation format.

In addition, offerors responding to this RFQ must submit the following:

- Valid government registration certificate with the Government of Somalia/Puntland State.
- CVs of proposed key personnel must be attached.
- Must include a minimum of one (1) female member, but more are encouraged, as part of the proposed team.
- The organization/consultancy firm must have at least four (4) years' relevant experience.
- Completed Proposal Cover Letter, signed by an authorized representative of the offeror with company/contact details and company stamp (see Attachment A template).
- Official quotation (see Attachment C, Cost Proposal, for example).

Implemented by AECOM International Development, Inc.

Offerors may not offer or supply any commodities or services that are manufactured or assembled in, shipped from, transported through, or otherwise involving any of the following prohibited countries: Burma (Myanmar), Cuba, Iran, North Korea, (North) Sudan, or Syria.

DUNS Number: If the subcontract resulting from this RFQ exceeds \$30,000 and if the successful Offeror had more than \$300,000 gross income during its last tax year, the successful Offeror **MUST** have and provide a DUNS number and proof of SAM registration prior to the subcontract being executed. A DUNS nine-digit number is issued by Dun & Bradstreet. Once obtained the Offeror registers on the System for Award Management (SAM). All contractors and subcontractors doing business with the U.S. Government must be registered. If the successful Offeror does not have a DUNS number and cannot prove registration on SAM, the successful Offeror shall apply and receive one prior to the subcontract being executed. TIS+ may be able to provide some guidance to the successful Offeror that may assist them in securing a DUNS number in order to register on SAM.

The following information will be required for obtaining a DUNS and SAM Number: a) Legal Name; b) Headquarters name and address for your business; c) Doing Business As (DBA) or other name by which your business is commonly recognized; d) Physical address, city, state (country), and Zip/Country Code; e) Mailing Address (if separate from headquarters and/or physical address); f) Contact name and title; g) Number of employees at your physical location; and h) whether you are a Home-Based Business. For DUNS registration, please visit <http://fedgov.dnb.com/webform/index.jsp>; and for SAM registration, please visit www.sam.gov.

Eligibility: By submitting an offer in response to this RFQ, the offeror certifies that it and its principal officers are not debarred, suspended, or otherwise considered ineligible for an award by the U.S. Government. AECOM will not award a contract to any firm that is debarred or suspended.

Determination for Award: The award will be made to a responsible offeror whose offer follows the RFQ instructions, meets the eligibility requirements, and meets or exceeds the minimum required technical specifications, and is judged to be the best value based on a lowest-price, technically-acceptable basis.

Please note if there are significant deficiencies regarding responsiveness to the requirements of this RFQ, an offer may be deemed “non-responsive” and thereby disqualified from consideration. TIS+ reserves the right to waive immaterial deficiencies at its discretion.

Best-offer quotations are requested to include any discounts for monthly rates. It is anticipated that award will be made solely on the basis of these original quotations; however, AECOM reserves the right to conduct any of the following:

- TIS+ may conduct negotiations with and/or request clarifications from any offeror prior to award.
- While preference will be given to offerors who can address the service requirements in full per this RFQ, TIS+ may issue a partial award or split the award among various suppliers, if in the best interest of the TIS+ Project.
- TIS+ may cancel this RFQ at any time.
- TIS+ may reject any and all offers, if such action is considered to be in the best interest of TIS+.

Best Value - Best Value Determination

TIS+ will review all proposals and make an award based on the technical and cost evaluation criteria stated above and shall select the bidder whose proposal provides the best value to TIS+. TIS+ may also exclude an offer from consideration if it determines that a Bidder is "not responsible," i.e., that it does not possess the requisite management and financial capabilities necessary to perform the work required. TIS+ may award to a Bidder without discussions. Therefore, the initial offer must contain the Bidder's best price and technical terms.

Instructions for Preparation of Proposals

General

Proposals MUST include the following contents:

1. Valid government registration certificate with the Government of Somalia/Puntland State.
2. CVs of proposed key personnel must be attached.
3. Must include a minimum of one (1) female member, but more are encouraged, as part of the proposed team.
4. The organization/consultancy firm must have at least four (4) years' relevant experience.
5. Completed Proposal Cover Letter, signed by an authorized representative of the Offeror with company/contact details and company stamp (see Attachment A template).
6. Official quotation (see Attachment C, Cost Proposal, for example).
7. Record of Past Performance Experience (Attachment D).
8. Filled out Evidence of Responsibility (Attachment E).

Cost

The successful bid will be selected by the Lowest Price Technically Acceptable (LPTA) method, which means that the lowest price offer among the technically accepted proposals will receive the award. All Offerors must submit a completed Attachment C, Cost Proposal.

Past Performance

Provide a list of at least three (3) recent awards of similar scope and duration from the past four years. The information shall be supplied as a table (complete the table in Attachment D).

Terms and Conditions: This is a Request for Quotations only. Issuance of this RFQ does not in any way obligate AECOM, TIS+ or the TIS+ Project to make an award or pay for costs incurred by potential offerors in the preparation and submission of an offer.

This solicitation is subject to TIS+'s standard terms and conditions. Any resultant award will be governed by these terms and conditions; a copy of the full terms and conditions is available upon request. Please note the following terms and conditions will apply:

- (a) United States law prohibits transactions with, and the provision of resources and support to, individuals and organizations associated with terrorism. The supplier under any award resulting from this RFQ must ensure compliance with these laws.
- (b) Any award resulting from this RFQ will be in the form of a fixed-price subcontract for services.

Procurement Ethics

Neither payment nor preference shall be made by either the Bidder, or by any TIS+ staff, in an attempt to affect the results of the award. TIS+ treats all reports of possible fraud/abuse very seriously. Acts of fraud or corruption will not be tolerated, and TIS+ employees and/or subcontractors/grantees/vendors who engage in such activities will face serious consequences. Any such practice constitutes an unethical, illegal, and corrupt practice and either the Bidder or the TIS+ staff may report violations to the ethics and compliance anonymous via email to ethics@somtisplus.com. TIS+ ensures anonymity and an unbiased, serious review and treatment of the information provided. Such practice may result in the cancellation of the procurement and disqualification of the Bidder's participation in this, and all future procurements. Violators will be reported to USAID, and as a result, may be reported to the U.S. Department of Justice to be included in a Restricted Parties list, preventing them from participating in future U.S. Government business.

Thank you.

Transition Initiatives for Stabilization Plus – TIS+

Implemented by AECOM International Development, Inc.

2.1 The consultants will build the capacity of at least Eleven (11) officials – representing Qandala DC office, officials from Ministry of Interior, Ministry of Planning, Ministry of Education, Ministry of Health, Ministry of women and Ministry of Youth as well as Bari regional governors office by organizing one day training on the “Community Consensus Building/Planning Process”- defining processes, methodology, conflict mitigation process, resource mapping and mobilization, stabilization and governance priority identification, budgeting, sustainability and maintenance plans and formation of project oversight committees – both government and community members. Also, to clarify the Terms of Reference and roles/responsibilities of each stakeholder in the process. The outcome should be a detailed understanding of the CONSENSUS GROUPS concept and clear understanding of the process. Thereafter, the two officials from Puntland Ministry of Interior and Local governments will be supporting the consultants in undertaking the facilitation of the three days consensus building sessions as part of learning and practicing what they have learnt.

Deliverables

- a) Draft agenda for training
 - b) Training report outlining the process, success, challenges and recommendations. Also, list of participants trained using TIS+ provided forms - which includes names of persons trained, their designation and contact details and signatures.
3. Undertake and Facilitate three days community consensus building sessions to be held in Qandala targeting over 41 participants from Qandala consensus groups (30) and government officials (11);
- 3.1 The Consultant shall deploy excellent facilitation techniques to ensure the sessions are participatory as per the TIS+ consensus guide directions. Use of Somali language is mandatory throughout the sessions – distributing materials in Somali version so as to ensure the process is Somali owned and Somali led. In addition, the consensus groups must be guided to reach inclusive and consensus based decisions while carefully, ensuring the process to be influenced by one group.
 - 3.2 The consultant should encourage women members in the consensus groups are actively contributing while providing a separate session in case needed to be facilitated by the female facilitator.
 - 3.3 Each sessions must be documented with specific focus on the conflict mapping, resource mapping, priorities identification and prioritization while ensuring the identified priorities have clear rationale, sustainability and maintenance plan and project oversight committees. Duplications and overlap should be avoided with clear mapping of what other actors are currently doing or planned for Qandala community.

Deliverables

- a) Workshop agenda, daily participant’s sig in sheets using TIS+ provided forms.
- b) Submission of technical report outlining the consensus sessions process, analysis on the list of prioritized activities with rationale/justification, clear sustainability and maintenance plan as well as roles and responsibilities. Also, notations on how the proposed activities equitably serve the whole community. Success, challenges, lessons learnt and recommendation.
- c) Written consensus agreement signed, Roles/Responsibilities/TOR/letter of commitment for project oversight committees drafted and signed (with support from TIS+ officials)
