ITB Reference No: RI/SOM/PL/003/19

Relief International (RI) is a non-governmental, humanitarian organization working in 20 countries with number of years experiences to relieve poverty, ensure well-being and advance dignity. We specialize in fragile settings, responding to natural disasters, humanitarian crises and chronic poverty. Relief International combines humanitarian and development approaches to provide immediate services while laying the groundwork for long-term impact. Our signature approach — which we call the RI Way—emphasizes local participation, an integration of services, strategic partnerships, and a focus on civic skills. In this way, we empower communities to find, design and implement the solutions that work best for them.

RI has been present in Somalia since 2009 with offices located in Mogadishu, Garowe, Baledwayn and Dollow Somalia.
