<p>PUNTLAND GOVERNMENT OF SOMALIA MINISTRY OF PUBLIC WORKS, HOUSING AND TRANSPORT</p>		

TOR OF TECHNICAL EXPERT

Position Title:	Technical Expert
Programme:	Road Infrastructure Programme Somalia
Reporting to:	The Infrastructure Expert
Duration:	20 months depending on satisfactory or better performance
Duty Station:	Puntland Ministry of Public Works, Housing and Transport
Starting date:	6 Oct 2019
Closing date:	20 Oct 2019

1. Background

The Puntland Ministry of Public Works, Housing and Transport (MoPWH&T) is implementing the **Road Infrastructure Programme Somalia**, funded by the AfDB through the FGS MPWRH. The developmental objective of the programme is to support Somalia's economic growth by providing enhanced transport facilities that are reliable and cost effective and to improve connectivity, accessibility and transportation of goods, persons and service thereby supporting economic and social development as well as stability of the country as a whole. Further, the programme aims to improve the management of the road sector at the national and regional levels by reinforcing the capacities of federal and regional institutions that manage road infrastructure.

To carry out the programme, the Ministry of Public Works, Housing and Transport is seeking to employ a Technical Expert, who will assist the Infrastructure Expert in the overall implementation of the Road Infrastructure Programme in Puntland State. He/she will support the implementing agency/company in fulfilling its obligations under the relevant grant agreements and ensure effectiveness and quality construction of the Galkayo-Faratoyo Rehabilitation and Resurfacing Road Project.

Reporting

The Technical Expert will directly report to the Infrastructure Expert

2. Duties and Responsibilities,

- Assist in supervision, monitoring and management of all engineering activities included in the Galkayo-Faratoyo Road Rehabilitation Project;
- Assist and work together with the Infrastructure Expert;
- Provide technical input, administrative and managerial support to the Road Rehabilitation Project
- Provide technical input and assist the Implementing Agency/Company in complying to the technical Specifications of the Galkayo-Faratoyo Road Rehabilitation Project
- Ensure implementation of the construction/rehabilitation activities against the timeline/critical paths, quality, quantities, safety, project monitoring indicators;
- Conduct regular on-site visits for design and construction verification and validation; this should lead to high quality execution, identification of areas for improvement and both conception and implementation of a corrective action plan;
- Assist The Implementing Agency/Company in the implementation of the Environmental and Social Management Plan (ESMP), the Stakeholder Engagement Plan (SEP) and the Resettlement Action Plan (RAP);
- Assist the Implementing Agency/Company with implementing road safety education, environmental protection and awareness programs in communities along the project alignment.

3. Knowledge and Experience:

- A Bachelor's degree in civil engineering with a focus on infrastructure, particularly highways;
- Minimum of 10 years work experience in the road sector, covering design, supervision, project planning, implementation, procurement, settlement of contractual disputes.
- Team building skills
- Problem solving skills

The Puntland Ministry of Public Works, Housing and Transport (MoPWH&T) is inviting applications from qualified/Motivated candidates who are interested to submit their CVs, certificates, experience credentials, and cover letters explaining, how they meet Job description. Each application should be addressed to the HR account: hr.mpwrhp5050@gmail.com not later than 20 Oct 2019

NB. Only short-listed candidates will be contacted
