

INVITATION TO TENDER**Subject of Tender: PROVISION OF CASH FOR WORK VISIBILITY BOARDS****Date of Issue: 07 April 2021****Advert Closing Date & Time: 14th April 2021 16:00 Hours EAT****Tender Number: Adeso/PQS/003/2019-2020****Introduction**

Adeso is a humanitarian and development organization that is changing the way people think about and deliver aid in Africa. We are an NGO in Africa working in a very different way than most. We believe that development must come from within, not outside African communities. That it is Africans themselves who must determine Africa's future, and that while international aid has provided much-needed support, it often falls short of enabling lasting change at grassroots level. We want to change this, and our strong bonds with African communities mean we are uniquely placed to do so.

Adeso is an expanding and vibrant African based international development and humanitarian organization with offices in Kenya and Somalia implementing multiple programs including emergency, education, large-scale cash-based response, livelihood projects and shallow ground water wells and borehole projects.
